or to any of their past, present, or future owners, officers, directors, employees, contractors, affiliates, subsidiaries, parent entities, successors, assigns, agents, representatives, or any person or entity acting on their behalf, at their direction, or for their benefit (collectively, "Excluded Entities").

This exception applies only to the named individuals in their personal or otherwise independently authorized capacities. It does not authorize use, access, installation, copying, distribution, support, service, or other activity involving the software by, on behalf of, at the direction of, or for the benefit of any Excluded Entity.

Excluded Entities are strictly prohibited from taking any of the following actions, directly or indirectly:

(a) downloading, installing, executing, accessing, or using the software; (b) copying, reproducing, hosting, or redistributing the software; (c) bundling the software with any hardware, radios, accessories, firmware, codeplugs, documentation, downloads, support packages, or services; (d) hosting or distributing the software on any website, server, repository, or support portal; (e) using the software for commercial customer support, repair, diagnostics, dealer services, demonstrations, sales, or internal operations; (f) modifying, adapting, decompiling, disassembling, reverse engineering, or creating derivative works from the software, except to the extent such restriction is prohibited by applicable law; or (g) incorporating any code, user interface, documentation, protocol notes, or memory maps into another product or service.

ANY ACCESS, DOWNLOAD, INSTALLATION, COPYING, DISTRIBUTION, OR USE OF THIS SOFTWARE BY OR ON BEHALF OF AN EXCLUDED ENTITY IS WITHOUT LICENSE OR AUTHORIZATION FROM THE COPYRIGHT HOLDER. SUCH CONDUCT MAY CONSTITUTE COPYRIGHT INFRINGEMENT, BREACH OF APPLICABLE CONTRACTUAL TERMS, OR OTHER UNLAWFUL CONDUCT DEPENDING ON THE FACTS AND APPLICABLE LAW. NO LICENSE OR CONTRACTUAL AUTHORIZATION IS GRANTED TO ANY EXCLUDED ENTITY.

3. REDISTRIBUTION

Redistribution of the public software binary package by eligible (non-excluded) users is permitted solely when all of the following conditions are met:

(a) the software is redistributed in its original, unmodified form; (b) this complete License file remains intact and included with the software; (c) no fee, charge, or commercial consideration is imposed specifically for the software; (d) the software is not represented as being authored, owned, endorsed, or supported by the redistributor; and (e) the redistributor is not an Excluded Entity and is not redistributing to or for the benefit of an Excluded Entity.

Redistribution of source code, development materials, private/test builds, protocol research, or non-public materials is strictly prohibited without prior explicit written authorization.

4. OWNERSHIP AND COPYRIGHT

The software is licensed, not sold. The copyright holder retains exclusive title, ownership, and all intellectual property rights in and to the software, source code, documentation, graphics, branding, and related original works.

Rights granted under this License are subject to and governed by United States copyright law (17 U.S.C. § 101 et seq.) and applicable international treaties.

5. REGULATORY RESPONSIBILITY AND USER INDEMNIFICATION

This software is capable of modifying radio configuration, hardware parameters, and factory-option data.

The user is solely responsible for ensuring that all software operations, frequency transmissions, configuration changes, and hardware operations comply with all applicable local, state, federal, and international laws, regulations, and licensing rules, including applicable FCC regulations under 47 C.F.R.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE USER AGREES TO INDEMNIFY AND HOLD HARMLESS THE COPYRIGHT HOLDER FROM AND AGAINST CLAIMS, LIABILITIES, LOSSES, DAMAGES, FINES, PENALTIES, COSTS, AND EXPENSES ARISING OUT OF OR RELATING TO THE USER'S UNLAWFUL USE, MISUSE, OR UNAUTHORIZED DISTRIBUTION OF THE SOFTWARE, OR VIOLATIONS OF LAW OR REGULATORY REQUIREMENTS RESULTING FROM CONFIGURATION CHANGES MADE USING THE SOFTWARE.

6. DISCLAIMER OF WARRANTIES

THE SOFTWARE IS PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE COPYRIGHT HOLDER EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, ACCURACY, RELIABILITY, OR FITNESS FOR USE WITH ANY PARTICULAR HARDWARE, RADIO, FIRMWARE VERSION, COMPUTER, OR OPERATING SYSTEM.

USE OF THE SOFTWARE IS ENTIRELY AT THE USER'S OWN RISK.

7. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL THE COPYRIGHT HOLDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR ANY LOSS OF PROFITS, LOSS OF REVENUE, LOSS OF DATA, LOSS OF USE, EQUIPMENT DAMAGE, RADIO DAMAGE, BRICKING, BUSINESS INTERRUPTION, OR PROCUREMENT OF SUBSTITUTE GOODS, ARISING OUT OF OR IN CONNECTION WITH THIS LICENSE OR THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE TOTAL CUMULATIVE LIABILITY OF THE COPYRIGHT HOLDER FOR ALL CLAIMS ARISING OUT OF OR RELATING TO THE SOFTWARE OR THIS LICENSE SHALL NOT EXCEED TEN UNITED STATES DOLLARS (\$10.00 USD).

Nothing in this License excludes or limits liability to the extent such liability cannot lawfully be excluded or limited.

8. TERMINATION

Any use or distribution of the software outside the express scope of this License immediately and automatically terminates all rights granted hereunder to the extent permitted by applicable law.

Upon termination, the user must permanently cease all use and distribution of the software and destroy all copies in their possession or control, except where retention is required by applicable law.

9. INJUNCTIVE RELIEF AND REMEDIES

The user acknowledges that a violation of Sections 1, 2, or 3 may cause harm for which monetary damages alone may be inadequate.

Accordingly, in the event of an actual or threatened breach, the copyright holder may seek temporary, preliminary, or permanent injunctive relief, specific performance, or other equitable remedies from a court of competent jurisdiction, in addition to any other remedies available at law or in equity.

Nothing in this Section limits the authority or discretion of a court to determine whether the requirements for any requested remedy have been satisfied.

10. ACCEPTANCE AND CONTRACT FORMATION

Affirmative manifestation of assent is required to install and use this software.

By checking an "I Agree" option, clicking an acceptance button, or otherwise affirmatively accepting this License during installation, the user agrees to be bound by its terms.

If the user does not agree to these terms, or if the user is an Excluded Entity, the user is not authorized to install, copy, execute, or use the software.

11. GOVERNING LAW AND VENUE

This License shall be governed by, construed, and enforced in accordance with the laws of the Commonwealth of Massachusetts, without giving effect to its conflict-of-laws rules, together with applicable federal laws of the United States.

To the maximum extent permitted by applicable law, any legal action, suit, or proceeding arising out of or relating to this License or the software shall be brought in a court of competent jurisdiction located in the Commonwealth of Massachusetts, including the United States District Court for the District of Massachusetts where federal subject-matter jurisdiction exists.

Each party consents to the personal jurisdiction of such courts to the extent permitted by applicable law.

12. ATTORNEY'S FEES

To the extent permitted by applicable law, in any action, suit, or proceeding brought to enforce the terms of this License or to restrain infringement of intellectual property rights, the prevailing party may recover reasonable attorney's fees, court costs, and necessary disbursements where such recovery is authorized by this License, statute, court rule, or other applicable law.

13. SEVERABILITY AND INTEGRATION

If any provision of this License is held invalid, illegal, or unenforceable, that provision shall be enforced to the maximum extent permissible and, if necessary, limited or severed only to the minimum extent required.

The remaining provisions shall remain in full force and effect.

This License constitutes the entire agreement between the copyright holder and the user regarding the software and supersedes all prior communications or understandings relating to the licensing and use of the software.

A failure by the copyright holder to enforce any provision of this License on one occasion does not waive the right to enforce that provision on another occasion.
